Container Garden Shopping List

- Containers with drainage**
(use a container that is 12 inches or larger in diameter to be safe, and use one container per plant)

- Compost** (a 0.75 cubic foot bag is more than enough)

- Potting Soil** (if you are planting several plants, buy a 32 quart bag or an 8 quart bag for 1 small plant)

- Fertilizer**
(select one with less nitrogen such as Garden-Tone with a 6-8-8 mix of N-P-K for ideal vegetable growth)

- Vegetable plants** (remember one per pot)

Other items you may want if you are new to gardening include a small garden trowel and garden gloves to keep your hands clean.
